

Denison Youth Soccer Club

2020 Season Sponsorship

The Denison Soccer Club serves around 550 children annually and is continuing to grow every year. The Soccer Club is run by volunteer board members and parent volunteers as coaches. The league's only form of income is through league fees annually. Expenses (such as nets, balls, paint, goals and team shirts, etc.) add up, and, as a board, we feel keeping league fees low allows the maximum number of children to participate. Your Sponsorship will allow us to keep the fees low, but also have room to grow the league with adequate equipment.

Sponsor Levels
